

# KEYS FOR THE HOMELESS

How many old keys do you have laying in drawers at home?

Do you even remember what they were for?

To you they are worthless.

Would you like your old keys to help the homeless?

Your worthless old keys can be turned into cash.

Donate your old keys today!

**Please bring your old keys and deposit them in this container.**

The Canaan Trust is a local independent Christian Charity.  
The money raised from recycling these old keys will be used to help fund the 24 hour, 7 days a week support which it provides for homeless males in the Erewash Area.

*No one chooses to be homeless. Please help.  
Donating your old keys will cost you nothing but could provide the homeless with a future.*
